

Dear OLOL Third Graders and Parents,

Start your summer off reading! This year, we will use our Bingo Board challenge to help us keep track of the books we read over the summer.

When you finish a book, you should fill out the “Book Report” sheet. During the first few weeks of school, bring them back, so you can show your friends and teachers what you read, what you liked about the book, and why you would suggest it to your friends to read!

Please use the list provided to help you with your book selection process. You are not limited to the books on this list, but it is a great resource to use to get started!

I can’t wait to see and hear about all your favorite books from this summer!

Happy Summer Reading!
